INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

May 14, 2001

Sir:

Applicant herewith submits a list of references cited in the International Search Report for corresponding International Application No. PCT/US00/33566. A copy of each of the references is enclosed.

This submission does not represent that a search has been made or that no better prior art exists. While the term "reference" is used in citing each of the publications called to the Examiner's attention herein, applicant does not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicant reserves the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

I hereby certify that this correspondence and/or fee is being deposited with the United States Postal Service as first class mail in an envelope addressed to the "Assistant Commissioner for Patents, Washington, D.C. 20231" on May 14, 2001.

Brian Roffe, Esq.

Applicant also reserves the right to present appropriate arguments and/or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicant respectfully requests that the Examiner independently determine those items that the Examiner would consider the most pertinent of all the references cited herein.

An Office Action on the merits, i.e., an Action which treats the patentability of the claims, has not been received to date. Therefore, no fee is due under 37 C.F.R. §1.17(p) for the submission of this Information Disclosure Statement. If otherwise, the Examiner is respectfully requested to contact the undersigned.
